

CareerShift Cheat Sheet

What is CareerShift?

CareerShift is an online portal for students to find and organize jobs/ internships, find new contacts, and search companies. CareerShift is not a Newhouse, Syracuse University, or alumni tool, but a resource that helps you search all publicly available information on the Internet.

How to Sign Up for a CareerShift Account

1. Go to newhouse.careershift.com.
2. Follow the prompts on this page to sign up and be sure to use your syr.edu email address and access code newhousecdc.
3. Watch your syr.edu inbox for an email from CareerShift.
4. Follow the instructions in the email to activate your account. You should be able to use your account immediately.

If you run into any issues when following these steps, email nhcdc@syr.edu for assistance!

Searching for Companies

1. Just like finding a job, you can search for companies and follow a similar process of finding companies.
 - b. If you cannot find the specific person you are seeking, reference the email formatting of other employees to get an idea of what the person's email might be.
2. Turn on "Search by Area" and "By Company Size" for a more detailed search.
